Resource Vendor Directory

After consulting with their support teacher, parents may purchase curriculum from vendors of their choice. Vendors on the list below have provided instructions for making a purchase from them. Please read the instructions carefully and place your order as indicated. A vendor's inclusion on this list does not imply HCOS endorses their product. Families are encouraged to research each curriculum carefully prior to purchasing to ensure it is a good pedagogical and philosophical fit.

Families may also wish to take a look at these Curriculum Picks, designed for assisting the beginner homeschooler. You can discover more Curriculum Options if you would like a broader selection.

All purchasing MUST be completed by 11:59 pm on April 15th for the current school year.

> Please note: Parents who order from International vendors to Canada are responsible for any customs or brokerage fees. Unfortunately, parents CANNOT ship to a US address, as HCOS, as the owner of the curriculum, would be liable for brokerage and customs fees.

Information about HCOS Purchase Order (PO) Numbers

HCOS (PO) numbers are issued after successful enrollment and receipt of all required documentation. You will need a PO number to order or buy directly from these vendors, as schools are not able to reimburse parents for curriculum purchases.

Curriculum on Loan Agreement: Please refer to this page for details.

Lessons: Can be billed in two installments (September to January and February to June). Separate invoices are required for each installment.

Returns: All refunds and credits are made to HCOS, not to parents. Credits must be used to purchase further materials from the vendor.

Vendor Refund and Purchasing Policies: Please carefully read over each vendor's refund and purchasing policies prior to making a purchase.

Gather ‘Round Homeschool	General	Gather 'Round Homeschool is moving to all parent-initiated orders. What this will mean is that parents will be able to shop for themselves and their cart can now be saved. After their cart is saved they will receive their cart ID. They will need to be logged in to their Gather 'Round account to save the cart and receive the ID. We will need the families to enter their cart ID into the note section when they fill out the **Curriculum Order** form. This will help us with receiving an invoice and making the payment for the vendor. I know this might be a bit more work for our families but this is the only option we have at this point in continuing paying for this vendor and for families to have access to Gather 'Round curriculum.
