- **“Parent”** means the parent, guardian, or other legal representative of a student.
- **“The School”** means Flex Academy.
- **“Student Record”** as defined in the Independent School Act and referenced in this policy, refers to a record of information in written or electronic form in respect to a student. Flex Academy prides itself on being an organization that follows the guidelines of [PIPA](#) (Privacy Information Protection Act) by protecting the confidentiality of information that flows within the school as well as information that is sent to any other organizations that are associated in the education field.

Authority

The Ministry of Education is the governing body that directs the guidelines of the storage and flow of information within the school and to other schools. Flex Academy falls within the authority of this governing body. The Ministry of Education acts as the adjudicating body for storage and transfer of student records, as per the [Requirements and Best Practice Guidelines for Independent Schools](#).

Records

Each student digital file (in Encom) includes the following:

- Current Enrolment/Re-enrolment Form
- Legal Custody or Guardianship Documents

- Legal Residency Form
- Identification: Birth Certificate, Care Card number
- Permission & Release of Liability Form
- Permanent Student Record Card
- Current Medical documents (if any)
- Past Enrolments Forms
- Past Report Cards

Receiving of Records

A Student Records Request is used to request records from the student's previous school. Once received, records are digitized (if not already) and uploaded to Student's User Account in Encom.

Storage

All student files are located on a secure network drive. Access is restricted to only those employees who, by nature of their work, are required to see the student files. All required records will be kept for a period of not less than 55 years.

Transfer of Records

School will follow the guidelines outlined in the [**Best Practice Guidelines for Independent Schools, June 2012 Section IV.**](#)

Transferring of student records occurs when a request comes directly from the future institution. Confirmation from the parent or guardian must be obtained prior to the transfer.

All information in the file is transferred to the future institution with the exception of any letters, the signed form to release the records and a copy of the PSR. These items will remain in the student file at Flex Academy.

Administration Performance Evaluation Policy

Heads of School, Flex Directors and Flex School Leaders will be evaluated as they near the end of their first year of employment with Flex Academy. This evaluation will be comprised of two parts: Administrator's Self-Evaluation and Supervisor's Evaluation. The two components will be summarized by the Supervisor and will be presented face-to-face with the Administrator.

A written summary will be submitted to be signed by both the School Leader and the Supervisor. The School Leader will keep one copy. A second copy will be placed in their HR file. School Leaders will be evaluated every second year.

School Leaders may be evaluated more frequently at the Supervisor's discretion. If concerns arise regarding their performance, the individual will be informed in writing that they will be evaluated sooner than scheduled.

Evaluation Policy

The Head of Schools, Chief Operating Officer, Flex Director, Assistant Directors, Teachers, Learning Coaches and Education Assistants are evaluated on a regular basis. Evaluations are intended to celebrate what staff are doing well, offer input and support for areas of growth, and ensure people feel seen and valued for their hard work at HCOS.

Evaluations for all positions are conducted by the staff person's direct supervisor, with the Head of Schools and Chief Operating Officer being evaluated by the KCCS Board of Directors.

School staff members are evaluated every second year. Supervisors have latitude for the timing of support staff evaluations, while school leadership positions will be generally evaluated in February and March, and teachers are evaluated in April and May (on five year cycles, after an evaluation the first year).

Recently-hired staff members who have a three month probationary review in their first year of employment do not need an additional review within the same calendar year. Their first regular evaluation can take place in their second year at HCOS, unless the supervisor feels it necessary to have one sooner.

Steps:

1. Staff member completes a self-evaluation
2. Supervisor completes a staff evaluation
3. A face to face meeting (on Zoom or in person) occurs, with accompanying notes documented and comments added if applicable
4. Evaluation meeting summary form is completed and signed by the supervisor and staff person
5. Evaluation forms are submitted to HR
6. Tracking spreadsheet is checked off signifying that the evaluation is complete

Supervisors may initiate an evaluation outside of the regular scheduled frequency at the Supervisor's discretion. The Head of Schools and/or Chief Operating Officer should be made aware of circumstances that may warrant an additional evaluation, and provide approval to ensure unbiased decision making. If so, the staff person will be informed in writing that they will be evaluated sooner than scheduled.

All teachers are also required to attend three school authority-wide Regional Teacher Meetings each year. Two are in person (November and April), and one is held online via Zoom (February). Regular staff meetings and professional development days will be communicated by the Director of Flex Academy.

In addition, teachers may apply to attend various conferences and workshops in their area. If the sessions are relevant and applicable, registration funds may be provided.

Teacher Education Delivery and Services Evaluation Policy

New teachers will have their Education Delivery & Services evaluated as they near the end of their first year of teaching with Flex Academy. This evaluation will comprise teacher self-reflection, administration evaluation, and (if applicable) family observations.

Teacher evaluations occur annually on a first-year, fifth-year, and tenth-year basis.

The Flex Academy Directors will summarize these components and will present them to the teacher.

A teacher's education delivery and services may be evaluated at the administration's discretion. If concerns arise regarding the education delivery of a teacher, then that teacher will be informed in writing that their services will be evaluated that school year. 6. Transfer of Student Records

1. On receipt of a request for student records from a school, a Board of Education, or an independent school authority from within British Columbia where the student is (or will be) enrolled, the school authority will transfer that student's PSR (including declared inclusions), the current Student Learning Plan (if any), and the current IEP (if any) to the requesting institution. Requests for a student's record from a public school require that the public school administration provide a copy of the PSR (including declared inclusions) and current Student Learning Plan (if applicable) and IEP (if applicable) to the independent school authority. The original PSR must be retained by the public school.

4. The school authority will only transfer sensitive, confidential information (e.g. psychiatric 10 assessments) after dated and signed parent/guardian consent has been obtained.
5. The school authority will not transfer a record of a Section 14 Child, Family and Community Service Act report of alleged sexual or physical abuse made to a child protection social worker.
6. A summary of a former student's school progress may be provided to prospective employers, at the written request of a former student. The school authority reserves the right to assess a fee for this service.
7. A Student Record will be reviewed when a student transfers. The lead administrator will ensure that the documents listed as inclusions are still required inclusions (eg. not expired or rescinded) or still deemed to be relevant and important to the educational program of the student. Expired, rescinded, or irrelevant inclusions will be removed from the Student Record and the documents themselves will be shredded.
