

# Definitions

**Accessibility:** The state of having programs, services and environments that allow all individuals to participate fully in society without encountering barriers.

**Accessibility Committee:** An official group formed by one or more organizations in collaboration with people with disabilities, to create an accessibility plan and feedback mechanism.

**Accessibility Plan:** A plan developed by an Accessibility Committee that identifies challenges and solutions for addressing accessibility barriers.

**Barrier:** Anything that hinders the full and equal participation in society of a person navigating needs or disabilities. Types of barriers in the educational setting:

- **Learning Barrier:** any barrier that limits or prevents learning, whether it is through inadequate engagement, representation of the content, or expression of ideas and communication.
- **Architectural and Physical Barrier:** A barrier resulting from building design, the area adjacent to the building, shape of rooms, the size of doorways, lack of accessibility features, blocked paths of travel, and so on.
- **Attitudinal Barrier:** A barrier that arises from the attitudes of staff, students and the school community, including discriminatory behaviours and a lack of disability awareness.
- **Policy or Practice Barrier:** Rules, regulations and protocols that prevent a person from performing their job satisfactorily or participating in society. Policy, practice, and procedures that prevent a student from accessing the curriculum and fully participating in the school community.
- **Resource Barrier:** Barriers resulting from inadequate technology, funding, staff, or tools.
- **Temporal Barrier:** Barriers that occur during a specific time, such as busy times of day or during special events.

**Disability:** The state of being unable to participate fully and equally in society as a result of the interaction between an impairment and a barrier. (For more information about disability and types of disability and support, refer to Appendix A: Disabilities.)

**Impairment:** A physical, sensory, mental, intellectual, cognitive limitation, whether permanent, temporary or episodic.
