How to Donate

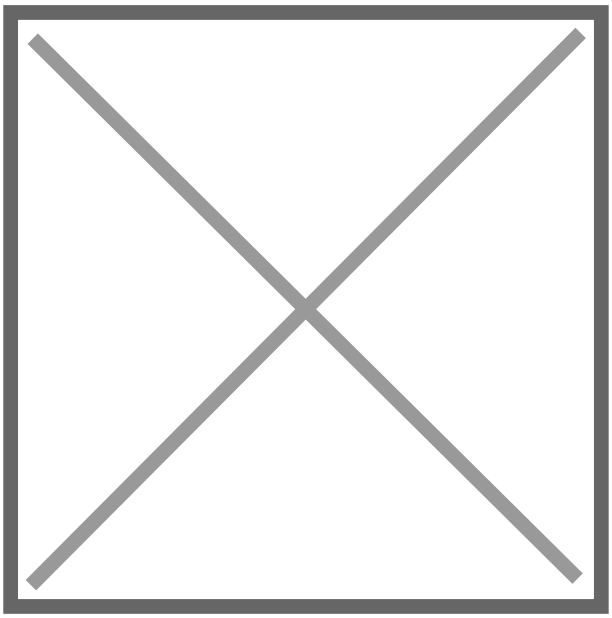

Thank you for taking interest in my fundraising efforts to Read for Change. We are excited to be able to raise funds to bring change and make a difference in the world around us!

This year, our fundraising efforts will go towards two initiatives close to our hearts:

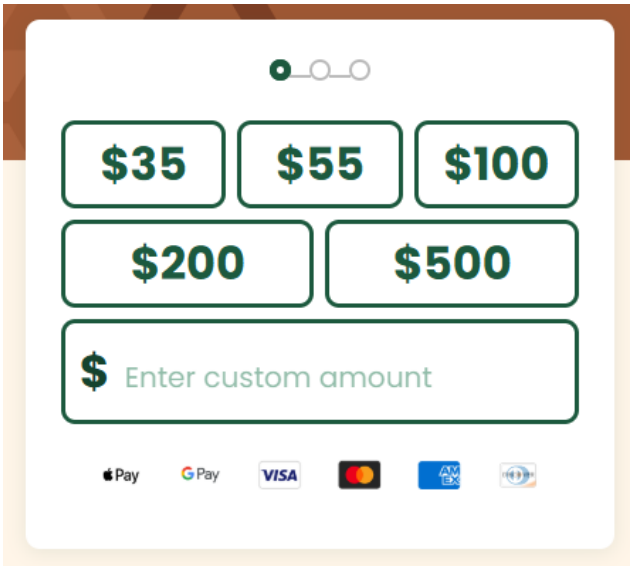

- Building Beyond Borders - providing financial support for a medical clinic, education, micro-loans and ministry outreach initiatives to children in Kenya.
- Impact Ministries - providing financial support that will go towards food hampers and school meals for children in Guatemala.
