Youth Leadership Millennium (YLM) Program

www.successylm.org

The Youth Leadership Millennium (YLM) Program consists of three levels: Bronze, Silver and Gold. These correspond with the Bronze, Silver and Gold levels of the Duke of Edinburgh's Award – which is a big part of YLM – but we offer so much more.

Our aim is to empower young people to take on leadership roles both in life and in the community. Through the three levels of the program, we strive to guide them in exploring new opportunities and developing their leadership and life skills through experience.

The S.U.C.C.E.S.S. Youth Leadership Millennium program is a holistic leadership training program with 5 unique focuses:

- Personal Development
- Leadership Development
- Community Awareness
- Adventure Expedition, and
- Community Leadership Initiative

New to YLM? The Bronze level is where you want to start!
Upon successful completion of the YLM Bronze program, youth participants will receive the following:

- S.U.C.C.E.S.S. Youth Leadership Millennium (YLM) Certificate
- The Duke of Edinburgh’s Bronze Award
- Toastmasters International Youth Leadership Program Certificate
- St. John Ambulance‘s First Aid Certificate
