## **Bateman Foundation: Nature Sketch**

Victoria, Duncan, Vancouver and Online

Nature Sketch is designed to inspire appreciation of the natural world using a pencil and sketchbook. Every participant will have the opportunity to connect with nature in a variety of unique ecosystems through art, and learn about local flora and fauna and their habitats, including species at risk and the rewilding of urban habitats. With the guidance of a local artist and a naturalist, Nature Sketch encourages participants to explore natural environments through art and eco-literacy.

Details and fees can be seen at <https://batemanfoundation.org/nature-sketch/>

## Youth Leadership Millennium (YLM) Program

[www.successylm.org](http://www.successylm.org)

The Youth Leadership Millennium (YLM) Program consists of three levels: Bronze, Silver and Gold. These correspond with the Bronze, Silver and Gold levels of the Duke of Edinburgh's Award – which is a big part of YLM – but we offer so much more.

Our aim is to empower young people to take on leadership roles both in life and in the community. Through the three levels of the program, we strive to guide them in exploring new opportunities and developing their leadership and life skills through experience.

The S.U.C.C.E.S.S. Youth Leadership Millennium program is a holistic leadership training program with 5 unique focuses:

- Personal Development
- Leadership Development
- Community Awareness
- Adventure Expedition, and
- Community Leadership Initiative

New to YLM? The Bronze level is where you want to start!

Upon successful completion of the YLM Bronze program, youth participants will receive the following:

- S.U.C.C.E.S.S. Youth Leadership Millennium (YLM) Certificate
- The Duke of Edinburgh's Bronze Award
- Toastmasters International Youth Leadership Program Certificate
- St. John Ambulance's First Aid Certificate
