

Community Opportunities

This page is a central database of community opportunities that families might like to investigate. We are not endorsing these opportunities but rather sharing information as to possible resources available. Thank you.

Epiphany Neighbourhood Art Studios: Homeschool Art Classes

Level 2 In this four-class intermediate session, students continue expanding knowledge and practice in drawing, watercolour painting, and acrylic painting. They will draw using the Elements of Visual Arts like line, shape, tone, and value. Watercolour Painting includes techniques like brush control, wet/dry applications, washes and special effects. Acrylic Painting covers concepts like more brush control, blending, and layering. The last class is a project of choice.

Students come out with art learning outcome pages, as well as one art piece each class.

Tuesday 10:00-12:00 (ages 5-12) April 1, 8, 15, 22 - \$144 + tax

Friday 10:00-12:00 (ages 5-7) April 4, 11, 25, May 2 - \$172.80 + tax

Friday 10:00-12:00 (ages 13-17) April 4, 11, 25, May 2 - \$157.40 + tax

Please visit [our website](#) for more information and registration. Go to School Hours Classes in the drop-down menu under Classes, and fill out the form.

BC Rock and Gem Show

<https://www.bclapidary.com/bc-gem-show.php>

Admission will be free for Home school families on Friday, April 11th.

Please come after 1:00 pm, as we have many bus loads of classes from different school districts already coming in the morning.

Just identify yourselves as a Home school family at the front door and students, plus their parents/caregivers will be admitted free of charge.

The Chemical Institute of Canada has a National Crystal Growing Competition

<https://www.cheminst.ca/discover/national-crystal-growing-competition/>

This year, the competition will be occurring in 2025 and will involve the growth of potassium chloride (KCl) within the growth period from February 3rd to April 3rd. The handbook with more detail is in the "When does it take place?" section under "How to participate". This could be fun for those with patience.

Rock related events

Educational and fun for all ages, information on the event (May) <https://www.bclapidary.com/bc-gem-show.php>

Co-op Opportunity

I am a Christian homeschooling Mama in the **Cowichan Valley** and run a field trip group that meets monthly for local field trips. We also organize informal classes and meet ups. I want to invite all homelearning families on the Island to join us if they desire. Families can email me at crystalnickeljones@gmail.com to be added to the monthly email list.

Exploring by the Seat of Your Pants

There are many virtual offerings that home learners can sign-up for in both English and French.

Museum of Surrey

Vibrant, interactive and ever changing, Museum of Surrey, located at 17710 56A Avenue, is a free local venue for wonder, dialogue and fun for the whole family. **Drop-In for a Visit** Tuesday to Saturday (9:30am to 5:30pm) Sunday (noon to 5pm). There are **rotating exhibitions** available.

Book classes here: <https://www.icandance.ca/book-on-line-classes-via-zoom>

We hope to see you soon!

Bateman Foundation: Nature Sketch

Victoria, Duncan, Vancouver and Online

Nature Sketch is designed to inspire appreciation of the natural world using a pencil and sketchbook. Every participant will have the opportunity to connect with nature in a variety of unique ecosystems through art, and learn about local flora and fauna and their habitats, including species at risk and the rewilding of urban habitats. With the guidance of a local artist and a naturalist, Nature Sketch encourages participants to explore natural environments through art and eco-literacy.

Details and fees can be seen at <https://batemanfoundation.org/nature-sketch/>

Canadian Parents for French

[Some incredible \(and free\) opportunities](#) for parents who are interested in resources, the annual public speaking contest and opportunities in French.

Cybersafe BC

www.cybersafeBC.ca

Cybersafe is geared towards youth aged 10 – 16. It is an online course with a certificate at the end (which can be used as a Health & Career Sample). Students will watch videos, and do activities as well as learn about the dangers of the internet. They will learn about their digital footprint and online crime, including cyberbullying.

IMPORTANT NOTE: Parents should have a look at the course first because there is a component of the course that discusses sexual predators and "sexting".

Free bowling program for kids

<http://www.kidsbowlfree.com/>

Parents are offered a \$25 deal to allow up to 4 older family member to bowl for free with the kids. The parent offer is introduced after you sign up your children.

Youth Leadership Millennium (YLM) Program

www.successylm.org

The Youth Leadership Millennium (YLM) Program consists of three levels: Bronze, Silver and Gold. These correspond with the Bronze, Silver and Gold levels of the Duke of Edinburgh's Award – which is a big part of YLM – but we offer so much more.

Our aim is to empower young people to take on leadership roles both in life and in the community. Through the three levels of the program, we strive to guide them in exploring new opportunities and developing their leadership and life skills through experience.

The S.U.C.C.E.S.S. Youth Leadership Millennium program is a holistic leadership training program with 5 unique focuses:

- Personal Development
- Leadership Development
- Community Awareness
- Adventure Expedition, and
- Community Leadership Initiative

New to YLM? The Bronze level is where you want to start!

Upon successful completion of the YLM Bronze program, youth participants will receive the

following:

- S.U.C.C.E.S.S. Youth Leadership Millennium (YLM) Certificate
- The Duke of Edinburgh's Bronze Award
- Toastmasters International Youth Leadership Program Certificate
- St. John Ambulance's First Aid Certificate
