

Curriculum Returns and Donations To The Learning Commons

Please see [this page](#) for more information regarding the curriculum loan agreement, deposit process, and refund.

Curriculum Returns and Donations:

- HCOS Learning Commons welcomes donations of your gently used curriculum. Please email Shandra Wiebe, our Learning Commons Administrator, at swiebe@onlineschool.ca or Pippa Davies, our Learning Commons Director, at pdavies@onlineschool.ca to ascertain whether we have space for suggested donations. If you combine your return with a loan from the Learning Commons, they may be able to assist with the shipping process.
- We can only accept the curriculum in good condition: no tears or writing in the books, please.
- We can only accept novels, DVDs or CDs if they are part of a curriculum package.
- What do we do with the returned curriculum? The Learning Commons has a [Used Curriculum Store](#) where you can purchase discounted resources for homeschooling use.
