Description

EVERFI (K - 12) covers topics such as digital citizenship, STEM, financial literacy, Health and career readiness.

This Subscription is available to Enrolled, Flex and Registered families.

These programs are available to HCOS students at no cost – thanks to a partnership with the Vancouver Canucks! The activities are short, and you can decide which of the available activities are best for your students.

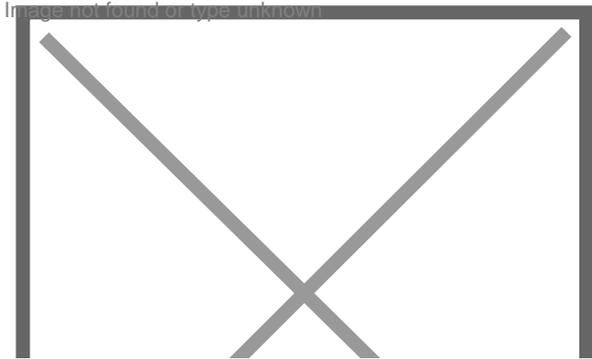

Logging In

Before beginning this process, email margaret.basaraba@onlineschool.ca for the Registration Code you will need to set up your account.

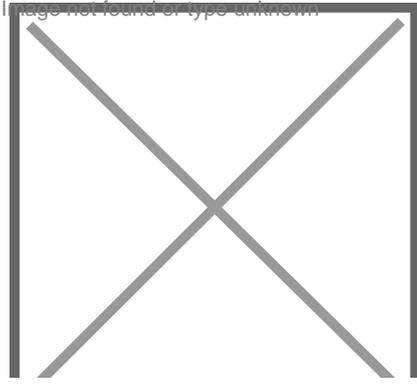

Go to <https://platform.everfi.net/>

1. Select the "Register" button next to "Don't have an account?"

Once a student is enrolled, they will not need the registration code again but will use their username and password to enter their class.

Using the Subscription

Canadian Student Scholarship

Five scholarships ranging in value from \$500 to \$1,000 will be awarded this spring to students who submit the entry form and complete at least 3 EVERFI lessons in one or more courses during the 2023 - 24 school year.

Deadlines to enter are **April 30, 2024** and **May 6, 2024**. Winners will be notified soon thereafter.

<https://everfi.com/k-12/scholarships-contests/> Scroll to the bottom of the page to find the two scholarships that are open to Canadian students.

Differentiation

EverFi now offers the "Listen" option, in the *NEW* versions of Ignition and EVERFI, which allows students to hear text read aloud to them.

Helpful Information

- Students will need headphones to use the course.
- The course is compatible with all devices. We recommend using Chrome as a browser if possible.
- EVERFI suggests you provide time once a week. (e.g. EVERFI Fridays)
- Set clear module completion goals, dates, and timelines.
- Relax a bit and learn!
- Encourage logging on for fun!
