This Subscription is available to Enrolled, Flex, and Registered families.

Kayak Magazine (Gr. 2 - 7)

Kayak magazine is designed to catch the imagination of 7 to 12-year-olds. Every issue introduces children to Canada's fascinating stories and shows them our history in context with today's world! Educational and entertaining, Kayak imparts knowledge of Canada's fascinating history.

British Columbia History Magazine (Gr. 8 - 12)

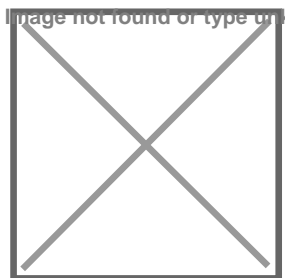

Discover British Columbia's Past!

British Columbia History is the British Columbia Historical Federation's flagship publication, a quarterly magazine chronicling British Columbia's unique story through the words and images of community writers, archivists, museum professionals, academic historians, and more.

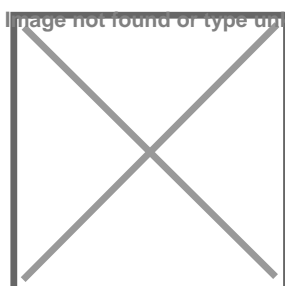

Fresh, engaging, personal, and relevant, every issue is packed with articles, photographs, maps, illustrations, book reviews, and insights into local archives. Four issues per year.

Study Guide — Balancing History: Warp Weft Weave: Joining Generations

The focus of the study is to encourage students to dig deeper into history to find a quiet or unheard voice. The guide will deepen understanding and knowledge of colonial histories and the current realities of Indigenous People, as well as an understanding of social injustices and discriminatory policies in Canada (including Residential Schools, the head tax, the legal system, disenfranchisement, and internment).

Chickadee (Gr. 1 - 4)

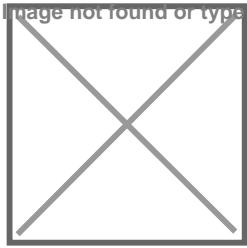

The Full-of-Fun, Hands-On Magazine for Children

Created in 1979, Chickadee satisfies the 6- to 9-year-old's insatiable thirst for knowledge and appetite for humour. Chickadee acknowledges the growing independence of primary-aged children and fosters their curiosity about and connection to the world around them.

Every month, the Chickadee team creates interactive stories, puzzles, animal features, and science experiments to educate and entertain readers.

Les Débrouillards (Gr. 4 - 9)

A French Magazine for Kids

Les Débrouillards, our French language magazine, is interested in everything: nature, the environment, technology, space, the human body, communications, history, the future, etc. Reports, files, various chronicles, comics and a tasty combination of science, games, and humour.

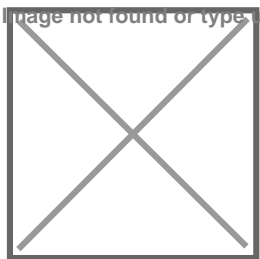

Features:

- Illustrated reports on animals, nature, the environment, technology, etc.
- Fun experiences
- Illustrated reports on ecology, physical and natural sciences, etc.
- Cards to collect
- Comics and games
- Interactive chronicles

This is an excellent way for students to practice their reading in French.

Eleven issues per year. Note that there is no publication in August for this magazine.
