# Logging In

## On Campus

Go to this link: <https://focusedresources.ca/en/district-access-iframe>.

No username and password are required if you are on campus at Flex Academy. You can move easily between the different BC Digital Classroom resources.

## At Home

Go to this link: <https://focusedresources.ca/en/district-access-iframe>.

Scroll down to click on the icon for the subscription you wish to access, and a login page will open. You will then enter the username and password found in [the Search Portal](#) on the Subs/Password tab.

Once you have logged in to one of the resources on the Focused Ed page, you can easily move to another resource title without signing in again. Focused Ed will allow you to move between resources after signing in only once. Each new resource that you open will open in a new tab.

You may see this login area at the top right of the page (Especially on the **Nat Geo Kids** resource) as you move between resources. **You DO NOT need to use this area to log in again.** Scroll down the page and begin using the resource.
