

Grad Program Overview

Welcome to the Grad Program at Heritage Christian Online School!

While this page will not answer all of your questions, we hope it is a good foundation to get you started. Once you have connected with the [Registrar](#), you will receive a call from your regional [Academic Advisor](#) who will work with you and your student to plan your courses and everything necessary for graduation!

Before that call, take a few moments to read through the following information.

[Grad Program Website](#)

[Course Options](#)

This page will walk you through the different types of programming we have in the Grad Program at HCOS.
