

# Learn360

## Description

Learn360 (K - 12) is the ultimate streaming multimedia resource.

This Subscription is available to Enrolled, and Flex families.

Students and parents can access about 200,000 media resources on any internet-enabled device anytime, anywhere. Engaging content landing pages make it easy to find the wealth of videos, interactives, printables, audio content, maps, flags, and more. More than 600 top educational providers provide its media resources. It is a powerful tool for blended instruction and project-based learning. The entire site and all landing pages can be filtered by grade level for targeted browsing.

## Logging In

You do not need to set up an account to use Learn360.

You can log in to [Learn360](#) by going to [the Search Portal](#), selecting the Subs/Password tab and using the Learn360 link, username, and password.

If you still wish to set up a personal student account, email [margaret.basaraba@onlineschool.ca](mailto:margaret.basaraba@onlineschool.ca) for the student passkey.

## Using the Subscription

When you enter Learn360, the main menu is along the top bar. Learn360 is very easy to search.

Image not found or type unknown

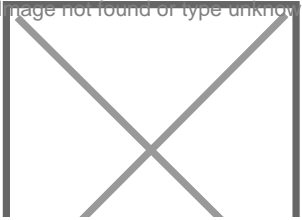

Select the Learn360 logo to return to the desktop from anywhere in Learn360.

Image not found or type unknown

Topic centers pull together many resources found in Learn360 for a given topic. This makes finding resources much easier.

Image not found or type unknown

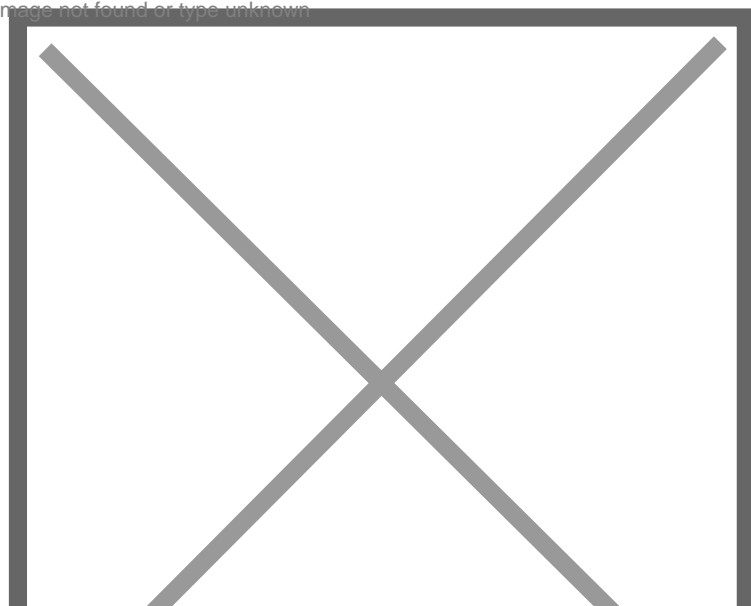

Bread crumbs along the top as you search make it easier to go back to previous information.

Image not found or type unknown

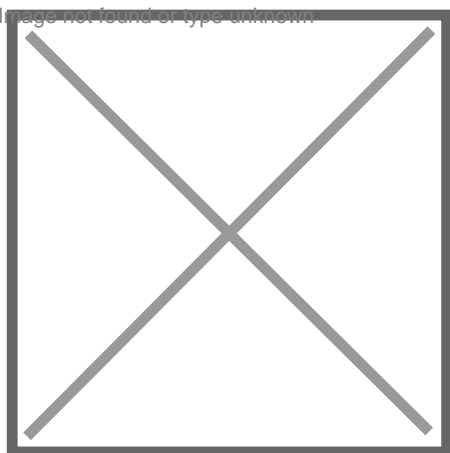

You can simplify your search by selecting the three lines to the left of the Learn360 logo. Choose your grade level there. Learn360 will keep your grade level setting as you search for new topics.
