Living Unlimited

Living Unlimited welcomes all girls in the HCOS Innovations Program. Whether you have never encountered Jesus or the Bible before, want to explore more about the God who created Heaven and Earth, or simply desire to connect in our HCOS community with spiritual fellowship and personal relationship, THIS IS THE PLACE FOR YOU!

The Mission of Living Unlimited is to create and strengthen disciples of Jesus through encouragement, faith, and challenging discussions in a community of sisters in Christ. If you are looking for a place to connect with other girls, learn about faith, and gain fellowship and support, then come join us! It is hoped that together, we can support one another in our grad years and feel Gods unlimited knowledge, power, and love.

Come join Lead students Julia Danley and Alia Enns **every Monday at 9:00am** in the Living Unlimited Zoom Meeting. Young Women of HCOS, this is definitely worthy of your consideration. Check it out! We look forward to seeing you there!
