

# Logging Into Encom

## Sign into Encom

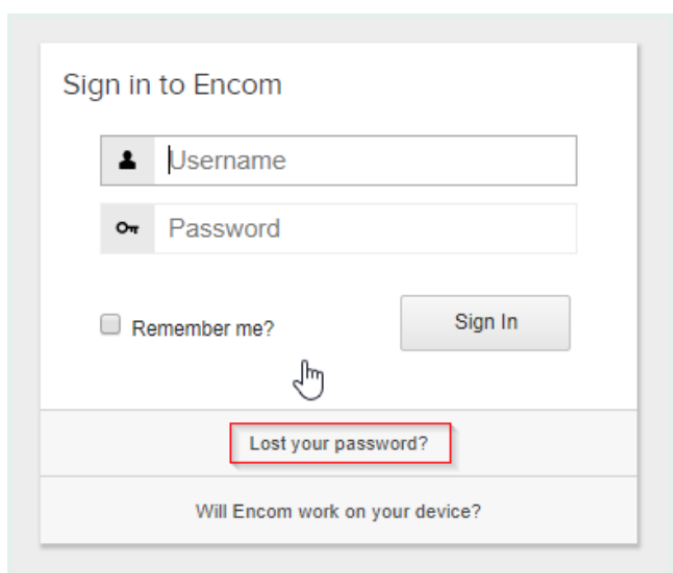

You can access [Encom](#) here, or from our [HCOS homepage](#) by clicking on the Log In button at the top right:

The screenshot shows the HCOS homepage. At the top, there is a navigation bar with links for Community, Programs & Curriculum, Access (with a dropdown arrow), and Resources. The Access dropdown menu is open, showing options for Moodle, Encom (highlighted), Rosetta Stone, and Tech Support. A button for Onlineschool.ca is also visible. Below the navigation bar, a large brown banner welcomes users to the @HCOS site. To the right of the banner, there are two photos of people. Below the banner, the word 'COMMUNITY' is displayed. A section titled 'Most Recent Post' features a photo of a child and a blog post about the new school year. To the right of this section, there is a 'Blog news and announcements' section with a 'Read More' button.

From the drop-down menu you will select Encom:

You might want to pause and bookmark Encom before you move on.

The screenshot shows the 'Sign in to Encom' form. It includes a 'Username' field with a person icon, a 'Password' field with a key icon, and a 'Remember me?' checkbox. A 'Sign In' button is located to the right of the password field. Below the sign-in fields, there is a link for 'Lost your password?' which is highlighted with a red box. At the bottom of the form, there is a question: 'Will Encom work on your device?'.

Now sign-in with the username and password that you received by email when you first registered with HCOS. If you have lost this information, please click on the Lost Your Password? link on [Encom](#). You will receive an email with a link to reset your account information.
