

# Ordering Curriculum

In the Grad Program, for every Individualized, Online or Hybrid course, your main point of contact is the Course Teacher. No longer is there one teacher overseeing your entire program, you are now working with course specialists!

In order to purchase curriculum for your courses, you must first know who your teacher for the course is. To find the teacher associated with your course, visit your course list in Encom.

Upon enrolling in a course, or at the beginning of a new school year, you should receive first contact from your support teacher for each course. All teachers can be reached at [firstname.lastname@onlineschool.ca](mailto:firstname.lastname@onlineschool.ca) if you would like to email!

When you have questions to do with course resources or your Student Learning Plan (SLP) for any of your courses, you can:

- Contact the course teacher by email ([firstname.lastname@onlineschool.ca](mailto:firstname.lastname@onlineschool.ca))
- Check out sample SLP's and information about the courses [here](#).

To order resources you will need your PO (Purchase Order) Number, which can be found in Encom on the main page once logging in. You can find it located on the left hand side, under your Grad Advisor's name.
