Resources and Curriculum

All purchasing **MUST be completed by 11:59 pm on April 15th** for the current school year. Remember, even if your favourite is not on this list, the chances are that we can get it for you! Let us help you! Email areid@onlineschool.ca to start the process.

> *Please Note: Parents who order from US vendors to Canada are responsible for any customs or brokerages fees.*
> *Parents CANNOT ship to a US address, even with cheaper postage, as HCOS, as the owner of the curriculum, would be liable for brokerage and customs fees.*

We offer a variety of resources to help families get curriculum and other school supplies such as pre-made resources packages, and science kits. Be sure to look through our extensive list of Resource Vendors which accept HCOS PO numbers!

Resource Vendor Directory

View an extensive list of approved vendors, curriculum suppliers, and educational service providers which accept HCOS Purchase Order numbers.

New Curriculum Purchasing Procedure

New guidelines have changed how HCOS can process the purchasing of resources from companies that do not accept HCOS PO#s.

Computer/Tablet/iPad Lease Form

HCOS families with curriculum funding are sometimes able to take advantage of our computer/tablet lease program.

Lesson Invoice Submission Form

Lesson providers are able to use our online form for submitting lesson invoices.

Learning Commons Resources

The HCOS Learning Commons provides a wide variety of physical and digital resources to support student learning, including books, unit study kits, subscriptions, and other learning materials. Families can explore available physical resources through the

Learning Commons Search Portal and learn more about what is available on the **Learning Commons SOPHIE pages**.

Curriculum Options

Not sure which curriculum will be the best fit for your student? Explore our **Curriculum Options** for recommended resources organized by subject and grade level, along with information to help you make informed curriculum choices.

Families may also find **Getting Started with Selecting Curriculum** helpful when beginning the selection process. If you would like more individualized support, HCOS Curriculum Engagement Facilitators are available for **Curriculum Consults** (at the bottom of the page) to help families think through curriculum choices and find resources that fit their students and learning goals.

HCOS Christian Studies Curriculum

We have intentionally designed an internal Christian Studies Curriculum for students K-12. This website provides a variety of engaging activities, projects and modules that will equip families with resources to support and inspire spiritual growth in the lives of our students.
