

# Scheduling Your Exam in Examyty

This page outlines the steps to scheduling and accessing your exam through Examyty.

To view a video on the exam experience, please [click here](#).

Once your Student Profile is completed, you are able to schedule your exams.

Start by clicking the Examyty SSO link within your course.

You will be taken to the scheduling page where you will be able to schedule any exam for courses that require a final proctored exam. From this page, by clicking Profile at the top, you can edit your profile or update picture ID.

Find the exam you wish to register for by locating the Course and Teacher Name and Exam name. Once located, click 'Schedule Exam'.

The following page confirms your sign up, as well as provides you with any special instructions that are required for your exam. Please read through these carefully. It is highly suggested that you test your system requirements at this time as well. If you show up to your exam without having done so you might have challenges completing your exam.
