Strategic Plan

Innovative, Personalized, Future-Focused Education

HCOS
HERITAGE CHRISTIAN ONLINE SCHOOL

OUR MISSION

To develop innovative, Christ-centred educational opportunities for learners to explore and embrace God's unique purpose.

OUR VISION

A frontrunner in quality Christian online and hybrid education.

OUR VALUES

Academic Success, Relationship, Integrity, Flexibility

Overview Statement

At HCOS, we believe education is most meaningful when it is rooted in identity in Christ **and leads to deeper relationship with Him.** We offer an environment where each learner is drawn to discover **the purposes and passions that God has instilled in them.** Students benefit from authentic individualized and relational support **as they hone skills to pursue their goals and compassionately engage with the world.** Our programs empower students to take ownership of their learning **and graduate as responsible and engaged citizens with a sense of agency, independence, and voice.** Through continually improving our innovative programs, we offer students opportunities to learn in ways that accommodate and anticipate a dynamic future**.** HCOS' strategic plan demonstrates our commitment to **developing internal and external educational networks that** provide students with the best opportunities **as they discover God's unique purpose.**

HCOS

Our Strategic Priorities

Invest in deep relationship with learners to foster holistic development.

Grow our innovative and thriving learning ecosystem.

Expand our intentional connections with local, provincial, and international networks.

STRATEGIC PRIORITIES	GOAL 1	GOAL 2	GOAL 3
Invest in deep relationship with learners to foster holistic development.	**Provide personalized learning plans designed to help every student achieve success.** • Equip students to have a transformative impact in their communities • Develop positive advocates	**Ensure student well being by offering wrap-around support.** • Offer spiritual, mental, and emotional supports • Build confident and resilient learners	
Grow our innovative and thriving learning ecosystem.	**Inspire, equip, and encourage teachers and staff to continually innovate and grow.** • Provide relevant and engaging professional development opportunities • Ensure consistent supportive accountability • Foster a culture of engaged excellence	**Create and utilize intuitive, accessible, and meaningful curriculum.** • Improve student and teacher experience within content and learning management systems • Integrate assistive technologies into curriculum and resources	**Plan and provide thriving, sustainable, and well-resourced programs.** • Anticipate and meet the changing needs of our community • Explore opportunities for students to engage in face-to-face learning applications
Expand our intentional connections with local, provincial, and international networks.	**Create meaningful relationships with alumni and stakeholders.** • Establish a vibrant alumni community • Create consistent and frequent messaging to stakeholders	**Understand the unique needs of each local community.** • Connect with Indigenous partners • Develop hybrid pedagogy and programs	**Foster international relationships in the educational sector.** • Provide curriculum, software, and expertise to online schools and educators
