### Overview Statement

At HCOS, we believe education is most meaningful when it is **rooted in identity in Christ and leads to deeper relationship with Him**. We offer an environment where **each learner is drawn to discover the purposes and passions that God has instilled in them**. Students benefit from **authentic individualized and relational support** as they hone skills to pursue their goals and compassionately engage with the world. Our programs empower students to **take ownership of their learning and graduate as responsible and engaged citizens with a sense of agency, independence, and voice**. Through continually improving our innovative programs, **we offer students opportunities to learn in ways that accommodate and anticipate a dynamic future**. HCOS' strategic plan demonstrates our commitment to **developing internal and external educational networks that provide students with the best opportunities** as they discover God's unique purpose.

## Our Strategic Priorities

Invest in **deep relationship with learners** to foster holistic development.

Grow our **innovative and thriving learning ecosystem.**

Expand our **intentional connections** with local, provincial, and international networks.
