Student Council Alumni Plaques

These plaques honour the students who have stood and walked courageously before us, those who gave their time, shared their gifts, served others and helped shape the legacy of the HCOS Student Council.

Each name represents a person who chose to step forward, take responsibility, and make a difference. Their leadership may have looked different from year to year, but together they helped build something that continues beyond their time on council.

May we lead with the same courage, humility, and heart and may those who follow us one day find inspiration in the path we chose to walk.

Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go. Joshua 1:9
