

# Subscriptions - Usernames and Passwords

This is the updated way for families to find Subscriptions usernames and passwords. You may share the information below with your families.

## Via the Learning Commons Search Portal:

Patrons with an Encom username and password can log in [here](#). All others should first be directed to the [Search Portal Landing Page](#) where they can select the correct portal for logging in.

Once directed to the Search Portal, you will see a page that looks like this:

Choose "Subscriptions" and you will immediately be on a page with an alphabetical list of all the subscriptions, the link to access the login page of that subscription, the username and the password for that subscription.

The list on the Subscriptions page can be organized by title (a-z, z-a), or by any of the other columns by clicking the header. A small arrow will appear to show how it's being organized. (up is a-z, down is z-a).

Name ▲
BC Exam Bank
BrainPOP
BrainPOP Espanol

## Subscriptions Information

To find more information and a complete list of Subscriptions available to you go to the [Subscriptions and Databases](#) chapter in SOPHIE.

There are a variety of ways to enter Subscriptions. Please email [margaret.basaraba@onlineschool.ca](mailto:margaret.basaraba@onlineschool.ca) for any information you may need.
