

# Where to find the Curriculum and Recreational Program Order Forms and how to fill them out?

The first step is to go to the [Vendors page](#) on the HCOS website to see if the vendor is on the Vendors Accepting HCOS PO Numbers list. Vendors on this list **do not** require a curriculum order form as you can contact them directly to make your curriculum purchase.

If the vendor is not on that list, the next step is to sign into Encom where an option on the tool bar called Curriculum Resources is available. Click this link to fill out an order form for Curriculum purchases whose vendor will **not** accept an HCOS PO number.

Click on the [Curriculum Order Form](#) to start a curriculum order on the order form. Each form submission allows a family to order up to 10 items from a single vendor. The template will not allow more, but there is a note section on the order form to indicate if the order will be continued on another form.

If purchases will be made from a variety of vendors, **each vendor will require a different order form.**

When the "I'm Done!" box is clicked, a prompt will appear asking for the Support Teacher's email address. *(For those who may not have a teacher as yet, please use the email address of the Regional Administrator who accepted your application to HCOS.)*

**Please do not try to enter a password .. that is for teacher use only.** A link to the order form will then go to the Support Teacher indicated who will verify the order before purchases can be made. Verification includes making sure that that item/lesson is in the Student Learning Plan (SLP), that there is sufficient funding for the purchase and that there is an equipment agreement or CRC, if necessary.

## Lesson Purchasing Procedures

As per HCOS policy, lessons and activities will not be available for purchase until October. Close to the time that funding is released for lesson and activity purchases, a link to the [Recreational](#)

**Program order form** will be made available alongside the Curriculum order form in Encom.

**New \*** Lessons through a City, District or Municipality recreation center **MUST** be purchased using the online **recreational program order form**.

Most of the other lesson/service providers WILL “invoice” (3rd party bill) HCOS for payment by cheque.

Some guidelines that may be helpful:

1. Many sports clubs (hockey, soccer, gymnastics, dance, etc.) are also willing to 3rd party bill as long as they are informed that there is a 3rd party (HCOS) potentially paying even a portion of the fees.
2. Finally...regardless of whether paid by cheque or credit card the government requires that HCOS have criminal record check (CRC) confirmation/clearance before paying for any 3rd party lessons. Therefore, it is recommended that parents call the HCOS Head Office to make a quick check in our extensive database to make sure the lesson provider is “approved” or whether that process still needs to be completed.

All lesson providers must supply copies of their Criminal Record Check (CRC) policy before payment can be made. CRC policies need to be in compliance with Ministry guidelines.

The recreational program order form will only be for those vendors who will not third party invoice HCOS and require credit card payment (exception: City and Municipality Recreational Centers which **must** use the recreational program order form).
