

Grad Program Course Planning Worksheet

British Columbia Dogwood Graduation Program Planner

- You are funded in BC until you are 19 years old, giving you the option to take Advanced Placement (AP) courses or arrange your schedule more flexibly (ex. take two months and go on a missions trip).
- In the Scheduled column, indicate the month and year (e.g. 09/2019) you plan to start that course during this school year. In that column, also indicate Semester 1 (S1), Semester 2 (S2), or Linear (L) depending on your planned pacing for each course. You will have one calendar year from the date of registration to complete a course so sometimes it is advisable to add a course later in the year than September to give yourself the maximum amount of time to complete.
- In the Date Completed column, indicate the month and year (e.g. 06/2020) that you completed the course.
- Feel free to Print this template. If you use the options in the top right corner, you can print to PDF and then physically print a hard copy to complete.
- To see a list of all courses offered, detailed information about a course, and the teacher for the upcoming school year, please [click here](#).
- If at any time you would like a guest pass to view a grade level of our Online Curriculum and Courses, please contact the office (office@onlineschool.ca) for a Guest Username and Password. Please make sure that you specify the which grade you'd like the pass for.

Required BC Ministry Courses	Credits	Scheduled	Date Completed
English Language Arts Module 1	2		
English Language Arts Module 2	2		
Social Studies 10	4		
Science 10	4
