BC ExamBank

BC ExamBank (K-Grade 12) provides BC curriculum-aligned online practice exams with instant feedback and randomly generated questions for repeated test preparation.

Logging In

There are four steps to log in to the BC ExamBank.

Step 1: Navigate to BC ExamBank. Do not log in at the top of the page. Select the grade you would like to practice.

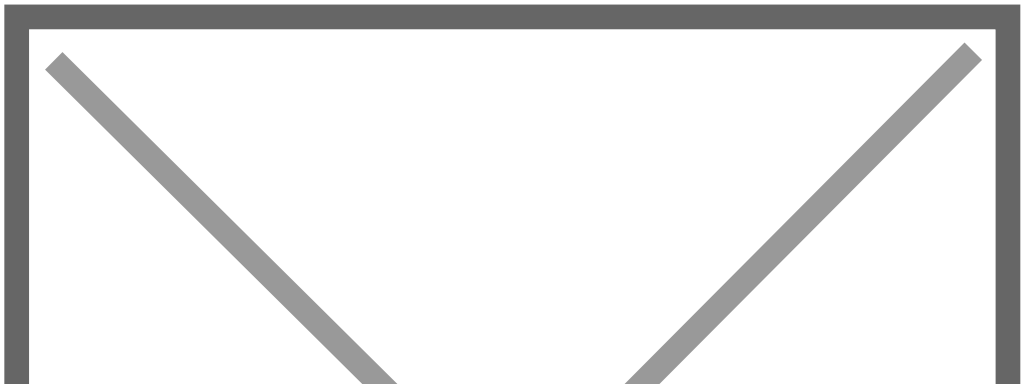

Step 2: Select the subject area.

Step 3: Select the test that you wish to take.

Step 4: Enter the username and password for BC ExamBank from the Subs/Passwords tab in the Search Portal.

Navigation & Use

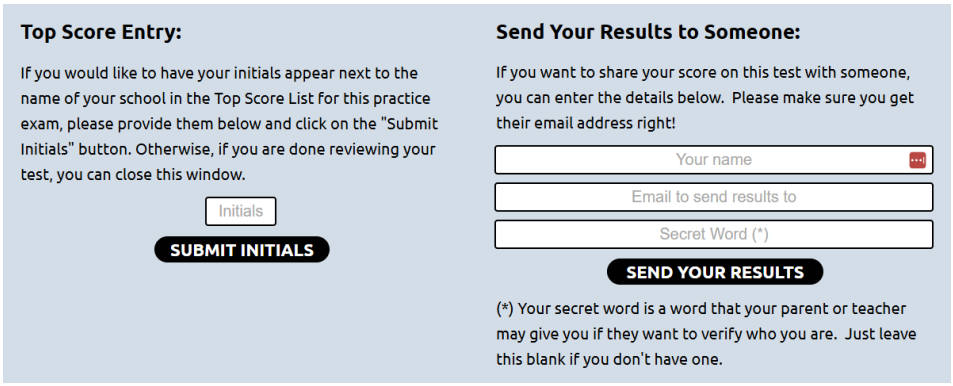

Watch this short video to learn more about how students can use the BC ExamBank site.

> If you cannot access tests when clicking the "Start test" button, you likely have a pop-up window blocker installed on your computer. Please add bc.exambank.com to your pop-up blocker's trusted sites list.

BC ExamBank immediately generates the answers for the student when the student selects "submit" at the end of the test. Test results explain how to find the correct answers. This gives a student a jump-start in understanding questions that they answered incorrectly.

Once a test is completed, students can send results to their support teacher by scrolling to the bottom of the page and filling out the following form.

Printing Exams

If you print copies of an exam, your use is limited to a period of 10 months from the date that the exam is printed. Enter the exam you wish to print. Click and drag to highlight the exam. Right-click on the text and select "print."
