

Canadian Reference Centre (EBSCO)

Explora Canada (Grades 8-12) is a research tool that provides reliable, easy-to-use content for student research.

Logging In

Navigate to [Explora Canada](#). Enter the username and password for Explora from the Subs/Passwords tab in the [Search Portal](#).

Student work is **not saved** when using the shared account. Students must set up a personal account in [EBSCOhost Student folders](#) to save their research in Explora Canada.

Navigation & Use

Setting up a personal student account.

Please note that secular content will be included, and parents should supervise their students' searches.

1. Log in to [Explora Canada](#) using the credentials in [the Search Portal](#).
2. Select "myEBSCO" at the top right of the page. Then select "Create an account."

MyEBSCO

Hello, researcher!

⚙️ [My preferences](#)

MyEBSCO account benefits

- Create projects
- Download eBooks
- Save your research
- Sync to the mobile app

[Create an account](#) 

[Sign in to MyEBSCO](#)

3. Set up your username and password.

First name

Username

Select secret question

City of birth?

Create password [Show](#)

- × One number
- × One special character
- × Do not include email address
- × Six character minimum
- × Do not include username
- × Do not include common phrases

[Create account](#)

4. Sign in to your student account, where projects can be saved.

EBSCOhost has improved its interface to make searching easier. Check out the [Explora Quick Start Guide](#) for helpful articles.
