

# Changing the Loan Period

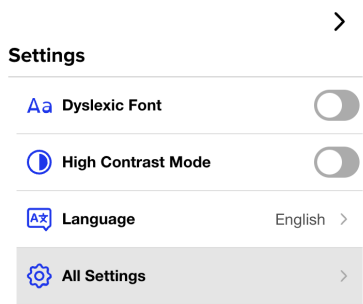

The standard load period in Sora is 14 days, however, there are options for 7, 21, and 28 days. Some readers may benefit from longer loan periods for larger projects.

There are four steps to adjust the loan period in your browser or app:

**Step 1:** Click on the hamburger menu (three lines) to open the dropdown menu.

**Step 2:** Click on "All Settings."

**Step 3:** Click on "Lending Periods."

**Step 4:** Adjust the lending periods as desired, then click on "Done."

Select a lending period for titles from Heritage Christian Online School.

Some titles have lending periods that can't be changed.
