

# Discovery Education

The Discovery Education online video library (K-Grade 12) contains over 5,000 full-length educational videos, including Canadian content correlated to the BC curriculum. Video clips and audio files are available in both English and French.

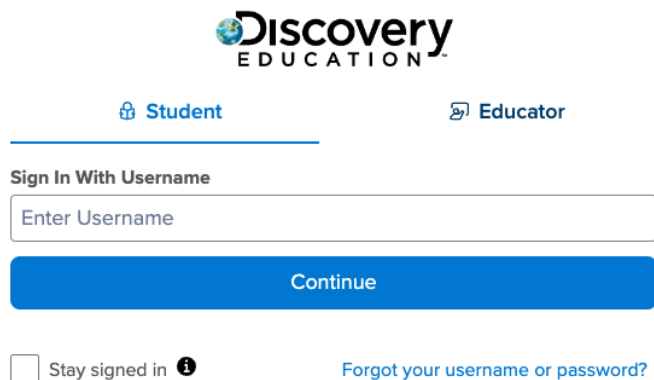

This subscription is not available to HCOS Registered students.

## Logging In

There are two steps to log in to the Discovery Education shared parent account.

**Step 1:** Navigate to [Discovery Education](#) and select "Student." (Be careful to log in to the Canadian site.ca using the previous link.)

**Step 2:** Enter the username and password for Discovery Education from the Subs/Passwords tab in the [Search Portal](#). You may need to hand-type the username and password into Discovery Ed to log in. You do not need to set up an account to use this Subscription.

The screenshot shows the Discovery Education login interface. At the top is the Discovery Education logo. Below it are two tabs: 'Student' (selected) and 'Educator'. Under the 'Student' tab, there is a section titled 'Sign In With Username'. It contains a text input field with the placeholder 'Enter Username' and a blue 'Continue' button. At the bottom left, there is a checkbox for 'Stay signed in' with an information icon. At the bottom right, there is a link for 'Forgot your username or password?'.

## Navigation & Use

Watch this short video to learn more about how students can use the Discovery Education site.
