# Enchanted Learning

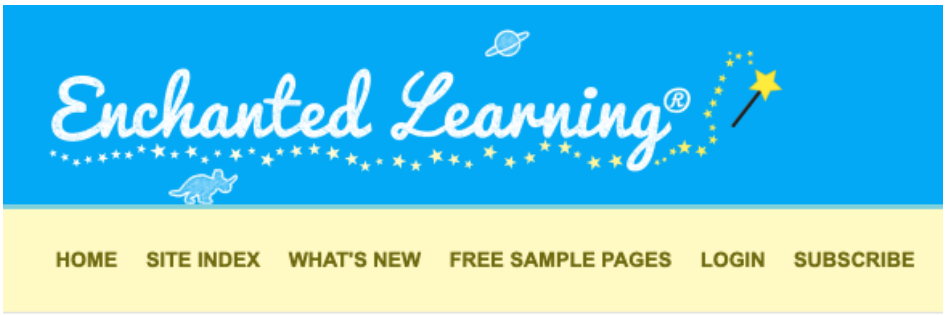

Enchanted Learning (K–5) offers crafts, activities, and subject-based worksheets that promote creativity, learning, and enjoyment, making it especially useful for holiday-themed learning. The site includes additional printable resources, enlargeable printouts, and an ad-free experience with simple, child-friendly navigation.

## Logging In

There are two steps to log in to Enchanted Learning.

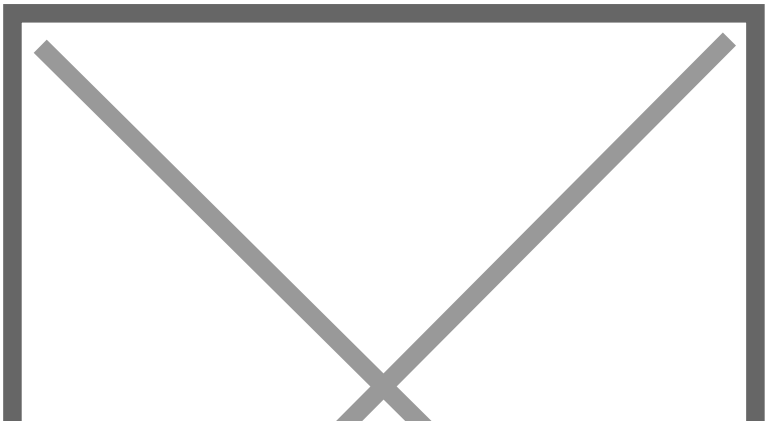

---

**Step 1:** Navigate to Enchanted Learning and select "Login."

---

**Step 2:** Enter the username and password for Enchanted Learning from the Subs/Passwords tab in the Search Portal.

You may find that you are not logged in the first time you try. A second attempt will usually get you into Enchanted Learning.

# Navigation & Use

Use the Site Index to view major topics(eg. **astronomy**, **geography**, **K-3 Themes**, **printable books**, **Spanish**, **etc.)**.

Students may find it easier to explore the site using the Little Explorers Picture Dictionary. To find a topic, look it up in the dictionary and click on the picture to go to a page on that picture. For example, to find the topic “dinosaurs,” go to the D Page, scroll down until you find the entry for dinosaurs, and select the dinosaur.

To find an activity related to an event that happened on a particular day in history, go to the activity calendar. To see newly added pages, visit the What’s New section.
