

# Explora Canada

Explora Canada (Grades 8-12) supports student research with rich, reliable content and easy-to-use functionality. It is a modern and efficient research experience designed specifically for schools and public libraries. Explora could be used with strong grade 6, and 7 students.

## Logging In

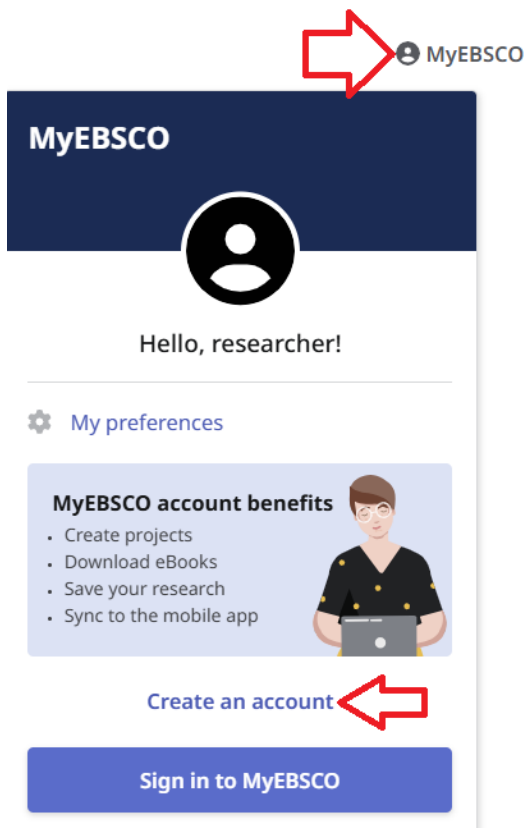

Navigate to [Explora Canada](#). Enter the username and password for Explora from the Subs/Passwords tab in the [Search Portal](#).

Student work is **not saved** when using the shared account. Students must set up a personal account in [EBSCOhost Student folders](#) to save their research in Explora Canada.

## Navigation & Use

### Setting up a personal student account.

1. Log in to [Explora Canada](#) using the credentials in [the Search Portal](#).
2. Select "myEBSCO" at the top right of the page. Then select "Create an account."

3. Set up your email address and password.

First name

Last name (optional)

Email address

Create password  [Show](#)

☐ One number ☐ Six character minimum  
☐ One special character ☐ Do not include username  
☐ Do not include email address ☐ Do not include common phrases

☐ I consent to the collection of specific data that allows EBSCO to provide me with a MyEBSCO account and related research functionality, as detailed in EBSCO's [Privacy Policy](#).

4. Sign in to your student account where projects can be saved.

**Research Made Easy With Explora** video.

EBSCOhost has improved its interface to make searching easier. Check out the **Explora Quick Start Guide** for helpful articles.
