PebbleGo

PebbleGo (K-Grade 3) is a searchable database that builds basic research skills through leveled texts, audio support, and engaging tools across multiple subjects.

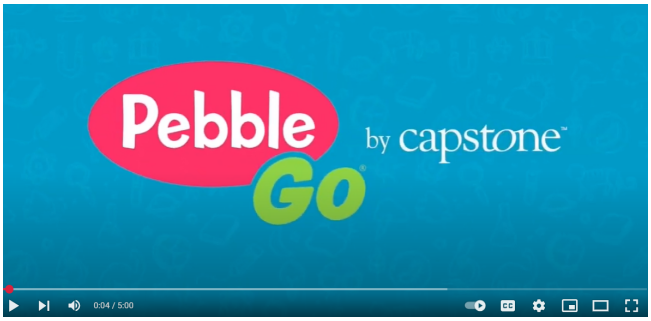

> This subscription is not available to HCOS Registered students.

Logging In

Use the PebbleGo direct link in the Subs/Passwords tab in the Search Portal.

Navigation & Use

Watch the short video below.

Visit the Resources Centre to locate videos, lesson plans, and content maps.

PebbleGo uses visual navigation tools. Users can search by either typing into the search bar or clicking on the breadcrumb pictures underneath the search bar. Selecting any of the pictures will take you back to that specific page.

Students can choose to play games or answer the question of the day.

PebbleGo also includes assistive technology. Hover your mouse over headings to hear them read aloud. Articles are read aloud by selecting the arrow at the article's beginning. Select highlighted words to read or hear the definition.

Once students have chosen an article, a new bar appears at the bottom of the page with several options.

Revision #19
