Used Bookstore

Welcome to the HCOS Used Curriculum Store

You will find books and curricula from many of your favourite publishers: A Beka, Saxon, Sonlight, RightStart Math, Tree of Life, and more! We have curricula covering Math, Socials, Science, Language Arts, Health, Bible, and Art, as well as novels and MakerEd/manipulatives. If you are looking for something in particular, email Shandra Wiebe at swiebe@onlineschool.ca; she will check to see if a copy is available.
