

Visiting the Physical Learning Commons

Pick ups/Drop offs -The physical Learning Commons in Kelowna is open Monday – Friday from 9:00 am to 4:00 pm.

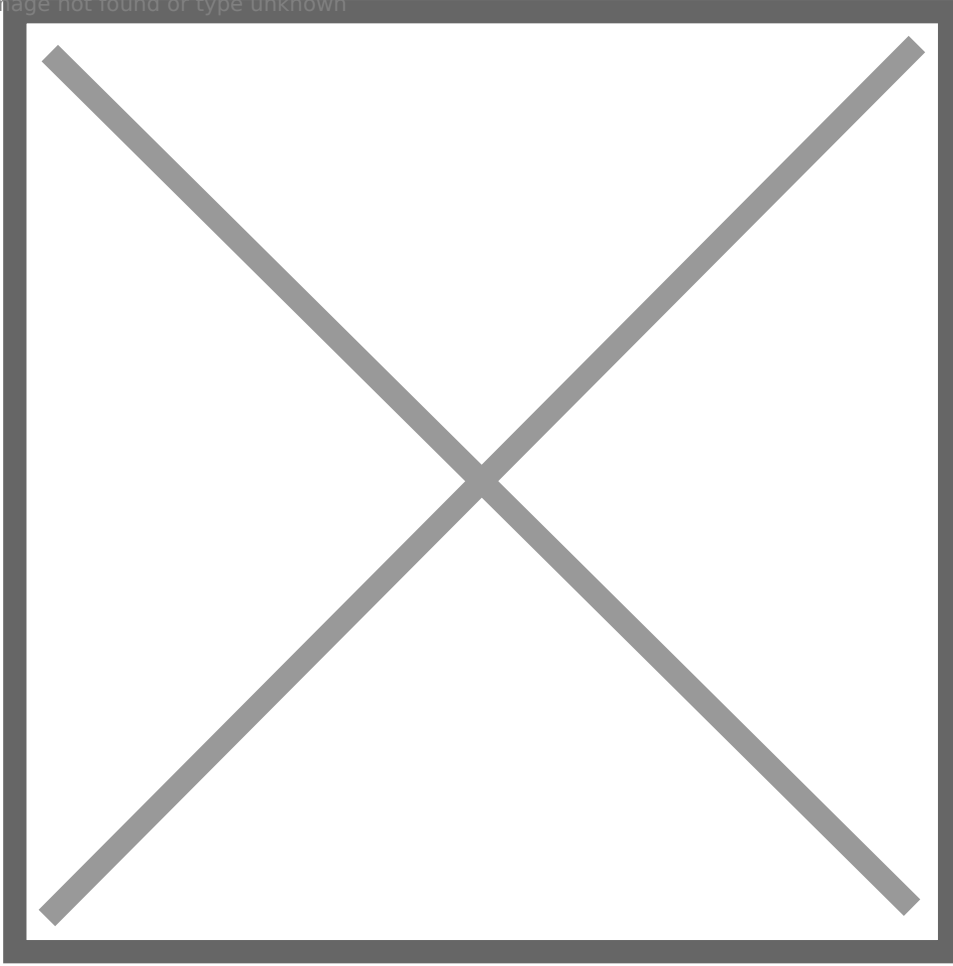

Browsing Resources - You can browse the curriculum and used book store anytime, but the main library conducts classes. Call or email to find the best time to come; after 3:00 p.m. is usually fine. Email Kelly Wiebe at kelly.wiebe@onlineschool.ca or call 778-721-8309.

- Parents or caregivers with children are asked to remain with children at all times.
- Due to a lack of space, children are not permitted in the shipping room where the curriculum and resources are located. They are allowed in the main library only.
- If you would like assistance with curriculum and how to navigate the Search Portal, please contact Shandra Wiebe swiebe@onlineschool.ca to make an appointment.
- If you feel sick or experiencing flu-like symptoms, please drop off items and do not visit. Please use hand sanitizer when entering and exiting the Learning Commons.

Learning Commons location:

- We are in the Flex Academy building at 907 Badke Rd, Kelowna, BC, V1X 5Z5.
- Park in Visitor Parking spots between the school and the church.
- You will see signs for HCOS Learning Commons shipping/receiving. Walk down the driveway beside the school building to the far end until you come to the door with a Learning Commons sign. Please ring the doorbell!
